

RESEARCH – LOCALITY APPROVALS PROCESS

Policy 2.1.7 Protocol 2

PROTOCOL

STANDARDS TO BE MET

1. Approvals Process – Investigator led studies.

In order to obtain authorisation, researchers must have completed steps 1 - 6 below:

Step	Phase	Actions Required	
1	Service Consultation	 Consult your local Head of Department / Service Leaders to ensure appropriateness of study / confirm resources available. Nurses undertaking a research topic as part of post graduate study must also have their research project endorsed by the Director of Nursing. 	
2	Maori Consultation	Undertake Maori Consultation as per local process	
3	Ethics Review	Proceed with relevant Health and Disability Ethics Committee (HDEC) or Institutional Ethics Committee review if required.	
4	Research Office Review	 Complete the Research Locality Approval Application Submit application to the Research Office for Review 	
5	Chief Operating Officer (COO) Approval	Research Office organises COO review and final authorisation	
6	Notification	Research Office advise applicant of outcome in writing
